Wildlife Act

**WILDLIFE ACT
COMMERCIAL ACTIVITIES REGULATION
B.C. Reg. 338/82**

DIVISION 1 – GUIDES

Definitions

1.01 In this Division:

“**permanent identification number**” means a unique number assigned under the authority of the director to a person who passes an assistant guide examination approved or established by the director;

“**written authorization**” means an authorization issued by a guide outfitter to an assistant guide.

[en. B.C. Reg. 18/2015, Sch. 1, s. 1 (b).]

Age requirement for guides

1.01.01 For the purposes of section 51 (1) (a) (iii) of the *Wildlife Act*, a regional manager may not issue a guide outfitter licence to a person unless the person is 19 years of age or older.

[en. B.C. Reg. 1/2019, Sch. 4, s. 1.]

Public liability insurance

1.01.1 (1) For the purposes of section 51 (1) (a) (ii) of the *Wildlife Act*, a regional manager may issue a guide outfitter licence to a person if the person has public liability insurance as follows:

- (a) the amount of the insurance must be at least \$2 million;
- (b) the insurance must be applicable to the guide outfitter’s guiding business;
- (c) the insurance must cover the guiding activities of each assistant guide employed by the guide outfitter as permitted under section 48 (1.1) of the *Wildlife Act*.

(2) A guide outfitter must continue to have public liability insurance as described in subsection (1) while the guide outfitter is licensed.

[en. B.C. Reg. 1/2019, Sch. 4, s. 2.]

Offence

1.02 Where a guide outfitter guides, the guide outfitter commits an offence unless, at the time the guide outfitter

- (a) guides, or
- (b) employs an assistant guide to guide on the guide outfitter’s behalf,

the guide outfitter is insured under a policy of public liability insurance as described in section 1.01.1.

[am. B.C. Regs. 217/2000, s. 1; 18/2015, Sch. 1, s. 2; 74/2017, App. 5, s. 2.]

1.03 Repealed. [B.C. Reg. 125/90, s. 2 (b).]

Guide outfitter licence with quota

1.04 Where a regional manager issues a guide outfitter licence which attaches a quota as a condition of licence, the regional manager may specify

- (a) species of game and their age, sex, horn or antler classification, and numbers of each class or classification of game that may be harvested,
- (b) the area or areas within which the harvest may occur,
- (c) the time period within which the game may be harvested, or
- (d) the number of hunters or a class of hunters that may hunt a species in a defined time and area.

[am. B.C. Reg. 74/2017, App. 5, s. 3.]

Guide outfitter licence term and condition

1.041 (1) It is a term and condition of every guide outfitter licence that the holder must not block or damage a road, trail, airstrip or watercourse or other real or personal property while providing services under a guide outfitter licence.

(2) Without limiting section 16.01 (i) of the Wildlife Act General Regulation, a holder of a guide outfitter licence who contravenes the term and condition referred to in subsection (1) of this section commits an offence.

(3) An offence under subsection (2) of this section is prescribed as an offence for the purposes of section 84 (1) (b) (ii) of the *Wildlife Act*.

[en. B.C. Reg. 25/2005, s. 4; am. B.C. Reg. 1/2019, Sch. 4, s. 3.]

Offence

1.05 (1) A guide outfitter or assistant guide commits an offence if, while guiding for big game, the guide outfitter or assistant guide

- (a) guides more than 2 hunters at one time, or
- (b) fails to accompany a hunter the guide outfitter or assistant guide is guiding.

(2) A guide outfitter commits an offence if the guide outfitter

- (a) guides a hunter outside the guide outfitter's guiding area, or
- (b) allows an assistant guide employed by the guide outfitter to guide a hunter outside the guide outfitter's guiding area.

(3) An assistant guide employed by a guide outfitter commits an offence if the assistant guide guides a hunter outside the guide outfitter's guiding area.

(4) An offence under subsection (2) or (3) of this section is prescribed as an offence for the purposes of section 84 (1) (b) (ii) of the *Wildlife Act*.

[en. B.C. Reg. 18/2015, Sch. 1, s. 3; am. B.C. Regs. 1/2019, Sch. 4, s. 4; 64/2021, s. 2.]

WILDLIFE ACT COMMERCIAL ACTIVITIES REGULATION

Management Plan Form

The Management Plan Form, when completed, describes the proposed operation of an applicant for a transporter licence. The purpose of this form is to:

- obtain information detailing an applicant's proposed operation,
- act as a resource document to be used by the ministry to evaluate and adjudicate applications for transporter licences, and
- provide the basis for transporter licence conditions.

If a transporter licence is issued on the basis of the information provided in this form, the completed form becomes part of the transporter licence documentation and **the director may use the information to set terms and conditions in the transporter licence**. Failure of the licence holder or the licence holder's employees to comply with licence conditions may lead to administrative action or prosecution.

For further information or assistance regarding the completion of this form, please contact the nearest regional office of the Ministry of Environment.

- 1 This management plan covers the period from to
- 2 Name of transporter licence applicant
- 3 Contact information (address, phone number).....
- 4 Description of the operation and activities offered (please fill in each field below and attach separate pages as necessary):

(4.1) General description of operation

- (a) describe location and setting of operation and types of services and activities offered,
- (b) describe applicant's experience as an outdoor operator,
- (c) describe key areas of concern respecting environmental impact, and
- (d) describe overlap of the applicant's operation with other uses in the area.

(4.2) General Area of Operation Describe and attach a map, 1:250,000 or 1:50,000 scale, setting out the boundary of operations.

(4.3) Specific Areas and Routes of Operations Describe and attach maps, 1:20,000 or 1:50,000 scale, indicating where specific transport activities will occur. Mark all trails and routes to be used by the operation.

(4.4) Site Layout Plans for Intensive Sites (if applicable) Describe intensive use sites here and attach detailed maps, 1:1,000 or 1:5,000 scale, showing the position of all existing and proposed structures, facilities or other improvements to be placed on Crown land.
